

We are celebrating  
Celebrate with us

25 years  
ROBOT-TECHNOLOGY

Invitation to our techday

After **25 years** of successful partnership, we are proud to **celebrate this milestone** together with you.

We are happy to welcome you to our Techday on **June 11, 2026** in **Großostheim**.

Don't miss this opportunity for an personal exchange with our experts and partners.

## Techday

Product innovations

- + **ROBOCUT A 1000** – world's only laser robot with 1300 Watt Co2-Laser and 3 axis large-scale scanner
- + **Laser trimming:** Using a patented compensation nozzle for high-precision cuts and tolerance compensation
- + **Two lasers – one revolution:** Latest generation of aribag perforation
- + Recently developed **dosing unit** for 1C PUR foam
- + Production line for **battery housing**
- + **AI supported** maintenance manual and process parameter determination

**In-house exhibition** and insights into our production

- + **Tour through** laser laboratory, custom manufacturing, 1C PUR foam, gripper construction with 3D printing
- + **Presentation** of selected automation systems
- + **Trade show of our partners** from the divisions of robots, laser technology, 1C PUR foam and automation components

## Agenda

- 10 a.m. – 11 a.m.** Get-together and official welcome
- 11 a.m. – 1 p.m.** Product presentation with live demo 1
- 1 p.m. – 2 p.m.** Lunch
- 2 p.m. – 3 p.m.** Product presentation with live demo 2
- 3 p.m. – 5 p.m.** In-house exhibition
- From 5 p.m.** Dinner with Bavarian food and Supplier Award Ceremony

## Registration & organisation

Please register by **20.03.2026**  
via the QR-code or
